Agreeing the Final Masterplan

It is important that all your thoughts on the Masterplan for East Accrington are shared with us by
Monday 11th January 2010.

We will review your comments to help us shape the final preferred Masterplan. The Council will take your comments seriously. It is important that you have a say in the future options for Woodnook and Burnley Road.

The Council intends that projects will begin later in 2010.

Supplementary Planning Document

To accompany the Masterplan a Supplementary Planning Document is being produced for East Accrington. This provides further guidance on development in Woodnook and Burnley Road. This will include specific development principles and parameters to support the Masterplan.

Consultation is currently taking place on the Supplementary Planning Document. If you wish to find out further information please visit <http://consult.hyndburnbc.gov.uk/portal> where you can also comment on the document. This document is on display at the library and all Council offices.

Consultation on the draft Supplementary Planning Document ends on Monday 11th January 2010.

Please fill in the feedback form and leave it in the box provided or send it to:

**Chris Taylor,
Hyndburn Borough Council,
