

What is it for?

Our corporate values include putting the customer first, providing opportunities for bright futures and narrowing inequality across the Borough.

From 1 April 2011, a new legal duty applies to all public authorities. It covers these protected characteristics:

- age;
- disability;
- gender reassignment;
- pregnancy and maternity;
- race;
- religion or belief;
- gender;
- sexual orientation; and, for some aspects,
- marriage and civil partnerships.

The duty means that – as previously - we should analyse the effect of existing and new policies and practices on equality. It does not specify how we should do this. However, legal cases on the meaning of the previous general equality duties make it clear that we must carry out the analysis **before making the relevant policy decision**, and include consideration as to whether we can reduce any detrimental impact.
