Rose Garden Ashes Graves & Memorials

GUIDANCE NOTES

The Rose Garden Ashes Graves & Memorials have been introduced as a result of feedback from service users who wanted a simple, clutter free and picturesque area as a final resting place for their loved ones. As such the following regulations have been formulated and must be observed at all times:-

MEMORIALS

- Only desktop tablet with vase memorials are permitted
- The memorial must be a Ruby Red Granite on a natural stone base
- Gilded lettering only is permitted

TRIBUTES

- Only natural flowers are allowed and must be placed within the memorial vases of these graves*
- No grave gardens are permitted.
- Any other items, including trinkets, toys, artificial flowers etc. are not permitted and will be removed by cemetery staff.

*With the exception of funeral tributes and Christmas wreaths, which will be removed by staff when the flowers have withered.
