

S68 Notice

If a S68 Notice has been issued, the driver must advise the Licensing Department whether a replacement vehicle is required. If a Hackney Carriage vehicle becomes accident damaged, the replacement vehicle must like for like, i.e. if your vehicle is purpose built (black cab style), then this must be replaced with a purpose built (black cab style). If your vehicle has a front swivel seat, then the replacement vehicle must have a front swivel seat. The swivel seat must be installed prior to the MOT. If the replacement vehicle has been subject to any alterations since manufacture, then the vehicle may be considered for licensing subject to M1 Certification being produced for any conversion or alteration to the vehicle. You can view the Council's policy regarding this and other issues by using the following web link to download the policy:
